

HealkerenTM

DERMA ROLLERS

Features :

The derma roller is an incredible device which naturally increases the levels of collagen and elastin in your skin. It is very effective for all scar types, especially hard to heal acne, stretch marks and atrophic white scarring, wrinkles, scars, cellulite, hair loss, uneven skin tone, acne scars and enlarged pores are all due to a lack of collagen, so by using a derma roller to stimulate collagen production you can help your skin renew and repair itself to a cosmetic level. Derma roller therapy is also known as micro needling, is an all-natural cosmetic procedure.

Available with 0.5, 1.0, 1.5, 2.0 & 2.5 mm.
